The Farmi Ch180 Chipper:

This chipper is designed for small tractors and skid steers. In spite of the small size and weight it is an efficient too. This chipper is available in manual or hydraulic feed (one hydraulic feed roller). The chipper comes standard with the low discharge chute, or the optional high discharge chute (1000 rpm needed). This chipper can handle material up to 6" in diameter.

Note: Product not in stock is subject to freight charges.

TECHNICAL INFORMATION

Type	Single Disk	Chipper Weight	380 kg/836 lbs. Hydraulic
Output	5-16 m³/h		300 kg/660 lbs. Manual
Chip Thickness	13	Rotor Diameter	670 mm
Max Timber	160 mm	Rotor Weight	100 kg/220 lbs.
Power Demand	10-40 Kw (15-55 HP)	Discharge Chute	360 degrees
Rev. Speed	540/1000 RPM	Discharge Chute Height	1.3 m (3'9") (optional 2.3 m 6'9")
Number of Knives	2	Opening of Upper	Single hinge
Power Source	Tractor PTO	Feed Hopper Types	Manual
Anchorage	3-point		Hydraulic feed

Part Number	Description	List Price
CH180	Basic Wood Chipper, With Manual Feed	Call for Price
CH180HF	Same As Above But With Hydraulic Feed	Call for Price
HE180	High Discharge Chute	Call for Price
BT-180	Belt Transmission for 1000 RPM	Call for Price

THESE PRICES ARE FOR INSTOCK ITEMS ONLY. PRICES ARE SUBJECT TO CHANGE ON ITEMS NOT IN STOCK.

The Farmi CH260 chipper:

A double flywheel with several accessories and possibility to adjust the chip length enables to produce the right size and quality of chips for many kind of purposes. The most homogeneous chip quality is achieved with high operation revolution, 1000 rpm. It increased productivity and discharge capacity but needs more power from the base machine. The hydraulic feeder with two rollers, the upper rollers bigger diameter, weight and floating roller swing ensure the efficient feeding. This chipper can be used to chip wood, paper or plastic.

Note: Product not in stock is subject to freight charges.

TECHNICAL INFORMATION

Type	Double Disk Chipper	Chipper Weight	860 kg/1,892 lbs. Hydraulic
Output	10-40 m ³ /h	Chipper Weight	690 kg/1,980 lbs. Manual
Chip Length	7-25 mm	Rotor Diameter	1,050 mm
Max Timber	260 mm (10")- opening 260x320	Rotor Weight	240 kg/528 lbs.
Power Demand	30-70 KW (40 -100 HP)	Feed Hoper	Manual or Dual Hydraulic Motor
Rev. Speed	540-1,000 RPM	Discharge Chute (3 m)	360° rotatable
Number of Knives	2 (optional 3)	Twig Breaker	Optional
Power Source	Tractor PTO	Screen	Optional
Anchorage	3-point		

Part Number	Description	List Price
CH260	Basic Manual CH260 Chipper	Call for Price
CH260HF-2HM	Same As Above But With Hydraulic Feed	Call for Price
B250-60	Cross Breaker For Slab Wood	Call for Price
DF250	Twig Breaker	Call for Price
HD11	Hydraulic Pump Kit	Call for Price

THESE PRICES ARE FOR INSTOCK ITEMS ONLY. PRICES ARE SUBJECT TO CHANGE ON ITEMS NOT IN STOCK.

The Farmi CH380HF-EL Chipper:

This is a chipper with 4 adjustable knives, chip length (10-30mm), for professional energy chipping. The Max. Diameter of the tree trunk can be a huge as 38cm. An effective hydraulic feeder, hydraulic pump unit, hydraulic control for discharge chute, pedal control for feeding and NO STRESS revolution (PTO 1000 RPM for 10-20mm chip length) ensures a good output, homogeneous chip quality and excellent discharge capacity for this chipper.

Note: Product not in stock is subject to freight charges.

TECHNICAL INFORMATION

Type	Double Disk Chipper	Chipper Weight	1,800 kg/3960 lb
Output	30-70 m ³ /h	Rotor Diameter	1,050 mm
Chip Length	10-30 mm	Rotor Weight	615 kg/1,353 lbs.
Max Timber	380 mm - opening 380mmx 420mm	Feed Hoper	Grapple Fed/Optional Conveyer
Power Demand	110-155 kw	Discharge Chute (3 m)	360° rotatable/Hydraulic Control
Rev. Speed	540-1,000 RPM	Twig Breaker	Standard
Number of Knives	4	Screen	Optional
Power Source	Tractor PTO	Cross Breaker	Optional
Anchorage	3-point		

Part Number	Description	List Price
CH380HF-EL	Hydraulic Loader Fed Chipper with Electric Controls	Call For Prices
CH380HFC	Hydraulic Loader Fed Chipper with Chain Conveyer	
CH380HF	Hydraulic Loader Fed Chipper with 2 Hydraulic Rollers	
NOT A STOCK ITEM. SPECIAL ORDER ONLY.		

FARMI WOOD PROCESSOR

WP30CS & WP36CS

IS THE FIREWOOD PROCESSOR FOR PRODUCING TOP-QUALITY FIREWOOD WITH GREATER SAFETY, EFFICIENCY AND EASE.

Model Number	Description	List Price
WP30CS	12" diameter Firewood Processor, PTO drive, self contained hydraulics, 13" hydraulic chain saw, two or four way split, hydraulic drive conveyor belt,	Call for Price
WP30SM	12" diameter Firewood Processor, electric drive, self contained hydraulics, 13" hydraulic chain saw, two or four way split, hydraulic drive conveyor belt,	Call for Price
WP30SM/TR	12" diameter Firewood Processor, PTO/electric combo drive, self contained hydraulics, 13" hydraulic chain saw, two or four way split, hydraulic drive conveyor belt,	Call for Price
WP30PM	12" diameter Firewood Processor, 13 hp engine drive, self contained hydraulics, 13" hydraulic chain saw, two or four way split, hydraulic drive conveyor belt,	Call for Price
WP30PM/TR	12" diameter Firewood Processor, PTO/13 hp engine drive, self contained hydraulics, 13" hydraulic chain saw, two or four way split, hydraulic drive conveyor belt,	Call for Price
WP36CS	14" diameter Firewood Processor, PTO drive, self contained hydraulics, 15" hydraulic chain saw, two or four way split, hydraulic drive conveyor belt,-conveyor swings	Call for Price
WP36SM	14" diameter Firewood Processor, electric drive, self contained hydraulics, 15" hydraulic chain saw, two or four way split, hydraulic drive conveyor belt,-conveyor swings	Call for Price
WP36SM/TR	14" diameter Firewood Processor, PTO/electric drive, self contained hydraulics, 15" hydraulic chain saw, two or four way split, hydraulic drive conveyor belt,-conveyor swings	Call for Price
WP36PM	14" diameter Firewood Processor, 13 hp engine drive, self contained hydraulics, 15" hydraulic chain saw, two or four way split, hydraulic drive conveyor belt,-conveyor swings	Call for Price
WP36PM/TR	14" diameter Firewood Processor, PTO/13 hp engine drive, self contained hydraulics, 15" hydraulic chain saw, two or four way split, hydraulic drive conveyor belt,-conveyor swings	Call for Price
55306400	Optional log lifter	Call for Price
55306415	Optional 6-way split	Call for Price
55306850	T30-36 road licence trailer without brakes	Call for Price
55306430	ES30-36 electric start for machines with engine	Call for Price

THESE PRICES ARE FOR INSTOCK ITEMS ONLY. PRICES ARE SUBJECT TO CHANGE ON ITEMS
